ABOUT THE ORGANIZERS

Edu Expo Global Private Limited (EEGPL)

EEGPL is a company dedicated to Conceiving, Curating and Conducting Expositions in the field of Education. These Expositions consist of magnanimous Expos, power-packed Conferences, active Workshops and glittering Awards. With an array of round the year conclaves, EEGPL is the biggest event conducting company in India's Education circuits today. ET TECH X is the flagship event of Edu Expo Global which features an amalgamation of a magnanimous Expo, stellar Conferences, engaging Workshops and glittering Awards.

brainfeed

ET TECH X was envisioned by **SD Promo Media Pvt Ltd** and **Kakani Edu Media Pvt Ltd (Brainfeed Magazine)** in 2019. The 2 companies joined hands to create India's largest educational Expo. With the expertise of SD Promo Media in the field of Expositions, both domestic and international, and the prowess of Brainfeed in Educational Conferences and network, ET TECH X was an immediate success. In 2024, this relationship was formalized by creating a new venture called Edu Expo Global Private Limited (EEGPL). ET TECH X is now the flagship brand under EEGPL.

THE ET TECH X

ET Tech X is an industry-leading event that brings together some of the most influential players in the Education and Training Technologies sector. With a focus on innovation and collaboration, ET Tech X is the go-to event for anyone looking to stay on top of the latest trends and developments in the field.

The 5th edition of ET Tech X The Educational Resources and Training Exhibition, India's premium educational Expo and Conferences, held on 5th, 6th & 7th December 2024 at HITECH, Hyderabad brought together educators, industry professionals and stakeholders from the education sector. The event featured a diverse range of activities including an Educational Expo, multiple conferences covering various educational topics, prestigious school awards ceremony, and interactive workshops.

THE EXPO

The B2B Expo showcased cutting-edge educational technologies, resources, and services from leading vendors and organizations. Attendees had the opportunity to explore innovative tools and solutions aimed at enhancing teaching and learning experiences. The event attracted educators, administrators, students, industry professionals, and policymakers across from PAN India.
