Dissatisfied with my school's curriculum, my mother began creating stimulating learning experiences for me. This journey eventually led me to find my calling in education and graduate from Harvard University, creating a research driven education organisation in the process.

Mr. Akshal Agarwal
Co-Founder

NatureNurture is India's leading curriculum design organisation that creates learning ecosystems for K-12 schools across CBSE, ICSE, Cambridge and IB Boards. We are led exclusively by a group of passionate educationists that want to reform the way children learn in classrooms across the world.

The NatureNurture Learning Programmes entails a transdisciplinary approach to curriculum integration that is not limited by conventional domains or subjects. We cover a wide array of domain areas spanning the arts, engineering and technology, scientific thinking, and the social sciences, as well as those that focus on life skills, environment and ecology, UN-SDGs, financial literacy, entrepreneurship, global education, and the personal, social, and emotional development of the learners, right from the foundational stage.

Our Mission is to eliminate unemployability through transdisciplinary, competency-driven, reformative, coherent, and immersive learning ecosystems that inspire 'learning to learn'.

Our vision is to transform young learners into agents of change and leaders of tomorrow with dispositions and skills that would empower them to build a diversified yet cohesive, sustainable, and inclusive world with equity in opportunities and make a measurable impact on the global ecosystem.

NatureNurture cultivates prosumers through integrated learning, preparing students for an unknown future.

MESSAGE

Dear Esteemed Delegates,

It gives us immense pleasure to welcome you to the 5th edition of ET TechX 2024, powered by Brainfeed Magazine, from December 5th to 7th at HITEX, Hyderabad. This event promises to be a convergence of innovation, collaboration, and insight, bringing together educators, EdTech pioneers, and thought leaders from across the globe.

As a proud platform for shaping the future of education, Brainfeed Magazine is committed to fostering dialogue and driving transformative changes in teaching and learning methodologies.

ET TechX 2024 embodies this vision, offering a unique space to explore cutting-edge technologies, revolutionary ideas, and emerging trends that are reshaping the educational landscape.

We extend our heartfelt gratitude to all our delegates, partners, and exhibitors for making this event possible. Your presence and participation are what make ET TechX a true celebration of excellence and innovation in education.

Let us embark on this exciting journey of discovery and growth together. Welcome to ET TechX 2024!

Warm regards,

Brahman KV
Editor-in-chief
Brainfeed Magazine Group

MESSAGE

While we stand before limitless opportunities in the realm of education sector, I am extremely pleased, on behalf of Edu Expo Global , to extend my warm regards and welcome to each of our esteemed educators, leaders of the industry, exhibitors, delegates and all in ET TECHX 2024.

At ET TECHX 2024 our commitment goes beyond just organizing events; It embodies a relentless pursuit of excellence, and a dedication to crafting moments that go beyond the ordinary and deeply align with your aspirations. because our reason for existence is simple yet profound: to be a beacon of innovation, knowledge, recognition to captains of the industry, businesses and an unparalleled guardian of quality the complete show.

Creativity is our currency, and innovation is our mandate. With each edition of ET TECHX we curate, we strive not only to meet expectations, but to craft narratives that captivate the imagination and leave an unforgettable memory in the hearts of our all attendees.

We extend our heartfelt gratitude to all our sector leaders, faculties, delegates, exhibitors, trade visitors and partners for making this event at such a large level. We realize that success of ET TECHX is not possible without your seamless collaboration, unwavering commitment and guidance. We ensue that ET TECHX will be executed with precision, agility and awareness that does not deviate from the purpose.

Thank you for trusting us and together we will make it a wonderful experience to all of you.

With Warm regards

Vivek Vikram
Director
Edu Expo Global Pvt. Ltd.

MESSAGE

Since 1968, the International Baccalaureate (IB) has been at the forefront of global education, offering four rigorous programmes designed to inspire lifelong learning and foster a deep understanding of the world. Grounded in its mission to develop inquiring, knowledgeable, and compassionate individuals, the IB empowers students aged 3 to 19 to think critically, embrace diverse perspectives, and become active, responsible global citizens. Through a commitment to academic excellence and holistic education, the IB equips learners with the skills and mindset needed to navigate and shape an ever-changing world.

With the support of exceptional educators and coordinators, the IB currently engages over two million students in close to 6,000 schools across 160 countries, continually driving innovation in education.

We are proud to partner with Edu Expo Global Private Limited and participate in ET Tech X 2024. This year's theme, "Empowering Educators: Building the Future of a Developed India by 2047," resonates deeply with our mission to foster a culture of learning that empowers educators to inspire change. Our sessions aim to ignite ideas, cultivate innovation, and support school leaders and educators in shaping a brighter future.

We invite you to join us on 6 December at the K12 conference and on 7 December for our workshop, where we will share insights into the transformative power of an IB education. Be sure to visit Booth T82—we look forward to connecting with you and exploring how we can work together to transform education.

Mr. Mahesh Balakrishnan
Senior Development and Recognition Manager
International Baccalaureate South Asia

MESSAGE

HITEX in Hyderabad will host the ET Tech X Foundational Years Conference on December 6, 2024. With a knowledge partner, the Integrated Preschool Teachers Training Academy (IPTTA), the conference includes three important roundtables with experts discussing problem assessment, chances of participation of children with special needs, and contemporary pedagogy-related issues.

Dr Anjum Babukhan and Dr Reeta Sonawat have presented sessions on NCF and neuroscience implementation, while other sessions by Sonal Ravi Andrews or Dr Swati Popat Vats focused on the importance of playful learning and 21st-century skills. The lively exposition features 250 booths featuring the most relevant educational technologies and teaching materials. The most distinguished part of the presentation is the awards ceremony, which praises and encourages brilliant preschool institutions and their staff to raise the bar for foundational learning standards.

Be a part of this exciting and transformational process, where ideas are put into practice, and together, we will change the face of early childhood education in India.

Integrated Preschool Teachers Training Academy (IPTTA)
Hyderabad - Telangana

MESSAGE

Telangana Recognised School Managements Association (TRSMA) is the organization that works for the welfare and professional growth of budget private schools in the state of Telangana. Dedicated to representing and supporting the private school sector in Telangana, TRSMA was established with a vision of fostering excellence in education. It plays a pivotal role in uniting private school managements across the state to address their challenges and to promote best practices.

TRSMA serves as a dynamic platform for the private schools in Telangana by working closely with government authorities, educators and other stakeholders to create a learning environment. The association is committed to offering services like advocacy and representation, developmental workshops and other networking opportunities. The organization is led by S. Madhusudhan who serves as the State President and N. Ramesh Rao, State General Secretary who are on the mission to elevate private education in Telangana.

Telangana Recognised School Managements Association- TRSMA

MESSAGE

Wishes to all the co-school leaders, exhibitors, speakers, and facilitators.

I am truly delighted to attend the 5th edition of the ET TECH X Conference. It gives me immense pleasure to acknowledge the visionary leadership of Brahman Kakani, a dear friend of mine for the last four decades. His steadfast commitment and boundless enthusiasm have transformed Brainfeed into a beacon of educational excellence. Through its unwavering dedication over the past decade, Brainfeed has empowered countless children, educators, and schools, encouraging literacy, critical thinking, and intellectual growth.

ET TechX conferences are invigorating and full of innovation, offering invigorating insights and actionable takeaways for school leaders. These gatherings illuminate the evolving landscape of education along with creating meaningful networks among educators and stakeholders.

With its children's and educators' editions, Brainfeed nurtures young minds and equips educators with tools to teach beyond the conventional curriculum. Reaching over 60,000 schools and 3 lakh educators monthly, it stands as a vital catalyst in shaping the future of education in India.

I extend my heartfelt congratulations to Edu Expo Global Pvt. Ltd. and wish them continued success in their journey of empowering the next generation of thinkers and leaders. May the impact of their work flourish in the years to come.

Mr. Tulasi Vishnu Prasad
President Sri Rama Rural Academy
General Secretary, APPUSMA

MESSAGE

Dr. Sheetal Jethy, founder of Chalk Academy, is a distinguished educationist with 18 years of experience in the education sector. She has empowered over 25,000 individuals, including teachers, counselors, business owners, trainers, and parents, through transformative training programs. Her commitment to fostering excellence and innovation in education has established her as a respected leader in the field.

Chalk Academy for Teacher's Training envisions inspiring and empowering educators to become catalysts for positive change. It aims to equip teachers with the knowledge, skills, and mindset necessary to deliver high-quality, inclusive, and innovative education. Through its comprehensive training programs, Chalk Academy nurtures passionate and adaptable educators ready to meet the evolving needs of learners and society.

ET TECH X, a pivotal event in the Education & Training Resources and Technologies Industry, unites professionals and stakeholders on a platform that addresses critical issues in education. It highlights significant contributions by educationists, celebrates their achievements, and sparks meaningful conversations to drive progress. This event is a must-attend for educators, offering inspiration, collaboration, and recognition while shaping the future of education.

Dr. Sheetal Jethy
Founder
Chalk Academy

MESSAGE

On behalf of the Independent Schools Managements' Association, AP, it is our pleasure to partner with ET TechX 5th Edition, with whom we celebrate over a decade of progress in educational magazine and getting back our children to reading.

We're excited as we delve into the latest innovations, challenges and opportunities in education.

This premier event brings together visionaries, educators and other stakeholders to revolutionize the education landscape. Together, let's shape the future of education

As we gather for our education conference, we're reminded that the future of learning is in our hands. We're honored to have partnered with the Largest Expo and Conference and look forward to exploring innovative ideas and solutions together.

Warm Regards

Mr. Sreekanth Koganti

President

Independent School Managements Association Andhra Pradesh (ISMA AP)

MESSAGE

To
Esteemed Organizers ET TECH X,

Greetings and Warm wishes to the Mega-conference!

“Education conferences serve as a catalyst for growth, innovation and progress”.

On behalf of PSPA, (Private School Principals’ Association) I am delighted to extend our warmest greetings to you and your team for hosting the upcoming Educational Conference in Hyderabad. This monumental event definitely bring together a diverse group of participants, comprising school and college principals, educators, publishers, Edtech Companies and policy makers.

We are impressed by the chain of the conference speakers, who are renowned educationists in their fields. The carefully curated workshops, seminars and the chosen topics are relevant, inspiring and promise to ignite meaningful discussions and spark innovative ideas.

Your tireless efforts to create a platform for education stakeholders to converge, share and learn from each other are truly commendable. This Mega Expo & Conference will undoubtedly have a profound impact on the education landscape, fostering collaboration and driving positive change.

Please accept our heartfelt appreciation for your dedication to excellence in education. Your commitment to creating a better future for our children is inspiring and we are honored to be a part of this momentous event.

We wish Edu Expo Global Pvt. Ltd. continued success and look forward to being a part of this exciting Expo & Conference. Thank you once again for your efforts.

Sincerely,
MR. RAJENDRA PRASAD
President,
Private School Principals’ Association (PSPA)

CONFERENCE THEME

Empowering Educators: Building the Future of a Developed India by 2047

As India aims to achieve developed nation status by 2047, education emerges as a cornerstone for realising this vision. This conference theme underscores the pivotal role educators play in preparing students for success in a rapidly evolving world. It emphasises the importance of innovative teaching methodologies, integration of sustainable development objectives, and staying abreast of emerging trends.

“Empowering Educators” - envisions a collective endeavour to equip educators with the necessary tools and support systems to promote holistic student development. It advocates for student-centred learning that fosters critical thinking, creativity, and ethical values.

ET TECH X 
foundational
years CONFERENCE 2024

CONFERENCE THEME

The ET TECH X Foundational Years Conference 2024, which will take place at HITEX in Hyderabad, is a fantastic opportunity since it seeks to change early childhood education. Integrated Preschool Teachers Training Academy (IPTTA), as a knowledge partner, sustains the synergy of this convergence by creating a practice-oriented ecosystem in which education leaders meet, work together, and develop solutions for emerging issues in foundational learning.

The conference enables teachers and educators to develop networks, share best practices, and interact with specialists who provide practical teacher training. The participants of the workshops and round tables address practical topics ranging from essential skills for teachers, such as basic first aid, to innovative teaching methods and how to employ those in practice.

Participants also strengthen their networks for collaboration and widen their scope of joyful early-year education that showcases the latest in educational technology. People now belong to an organised, touching society where each member is a capable teacher who can create a happy and healthy learning atmosphere for all the learners.

Witness this event to redefine the future of foundational learning. Every child's early years will be supported by professional teachers with strong connections so that they can assist each other.

ET TECH X 2024 WORKSHOP

5-6-7 December, 2024

ET TECH X WORKSHOP 2024

5-6-7 December, 2024

WORKSHOP THEME

In today's fast-evolving educational landscape, staying relevant requires more than traditional teaching methods. This workshop at ET TechX 2024 is designed to inspire educators to embrace lifelong learning, continuous upskilling, and professional growth. Attendees will explore the significance of staying updated with cutting-edge pedagogies, innovative methodologies, and the latest educational technologies.

The session will emphasize the importance of certifications, advanced research, and adaptive learning strategies to meet modern-day challenges. Educators will gain insights into building competencies that enhance teaching outcomes and foster impactful learning experiences. The workshop will also highlight key tools and platforms for professional development and provide actionable strategies to integrate them seamlessly into teaching practices.

Join us to discover how constant learning and upskilling empower educators to create meaningful, future-ready classrooms, unlocking the potential for both teachers and students alike.

BOOK A
FREE DEMO

EdMark is the pinnacle of educational innovation, a comprehensive software solution meticulously crafted to revolutionize the operations and learning processes of your educational institute. Unlike any other system on the market, EdMark is not merely a digitization tool; it is a visionary approach to education, built by individuals with over 15 years of first hand teaching experience.

iOS

Android

You can make your own custom package of modules and features.

Comprehensive Solution

EdMark seamlessly integrates administrative operations and learning processes into one platform. From enrollment to assessment, financials to classes, EdMark has it all.

Innovation at its Core

We do not just digitize process; we create innovative, novel processes with powerful technologies like AI. With EdMark by your side, you will always be ahead of the curve.

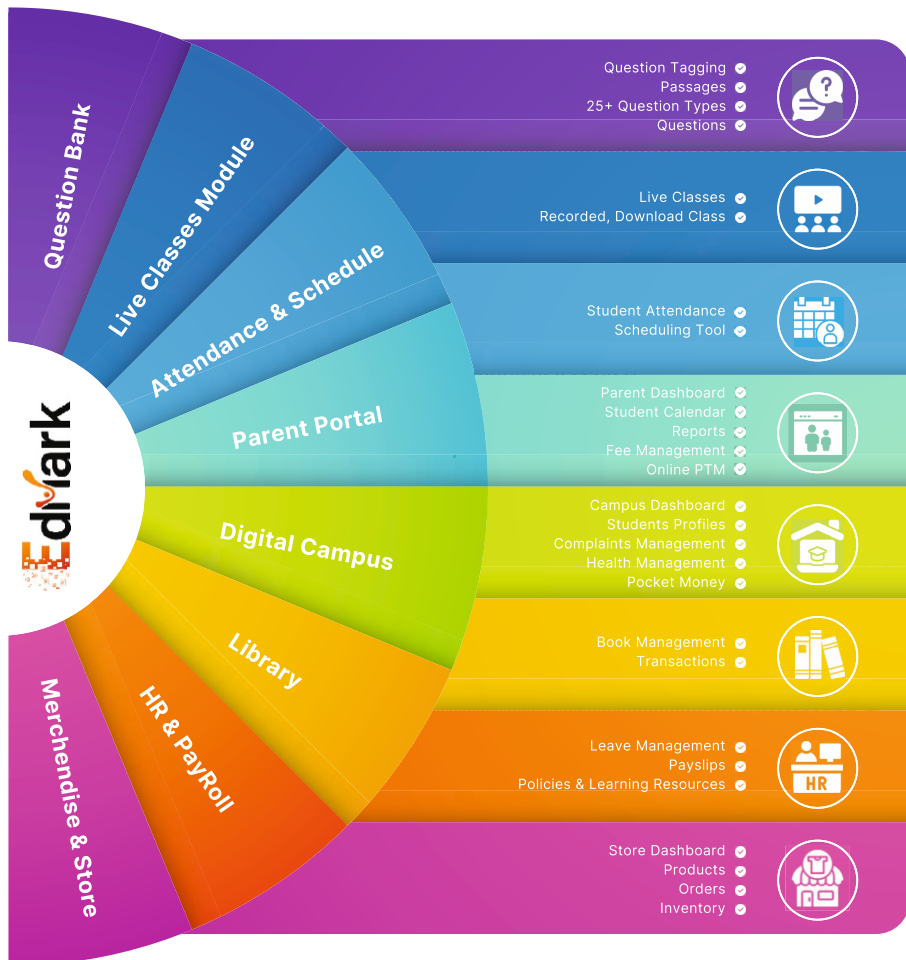

Empathetic Design

EdMark is designed, taking into consideration the challenges, aspirations, and comfort of the users. Our empathetic design makes the tool user-friendly and boosts productivity.

Practical Expertise

We are a tech company with education at the core, unlike other LMS providers who are merely tech platforms. EdMark is built by educators for educators.
